For New Or Used Vehicles Purchased During The Year:

A Lynwood vehicle sticker must be displayed within 30 days of vehicle purchase date (you do not have to have your license plate before purchasing your sticker). If you sell a vehicle that has a current sticker on the window, be sure to remove and save the sticker. If you replace the vehicle with a new or used one, you must submit the sticker you removed in order to obtain a "replacement" sticker for \$2.00.

***** IMPORTANT NOTE *****

Vehicle Stickers are to be displayed on the lower passenger side of the front windshield. If you fail to **display** the sticker, a ticket can be issued with a minimum fine of \$60.00. The sticker must be **on** the windshield -- not just purchased.

Affix sticker to window as soon as you purchase it. **Lost stickers will not be replaced – you will have to purchase another at full price.**
